

MICHAEL MOORE IS NOT TELLING YOU THE WHOLE TRUTH

If you have recently seen Michael Moore's film *Fahrenheit 9/11*, there's a lot you haven't been told. If you are interested in learning more about the man behind the message, his deceptive tactics, and what he really thinks of average Americans like you, read on.

Michael Moore is a master manipulator and a very creative filmmaker, two things that do not often translate into truthful documentaries. With this film he is actively courting the general public to his radical socialist message. Before you accept what you've seen as the truth, we urge you to do some research and see if what you find matches what you were told in *Fahrenheit 9/11*. Whether you are Republican or Democrat, liberal or conservative, you owe it to yourself to learn about Michael Moore's agenda, his beliefs, and the type of man he is. Consider both sides and make up your own mind.

IS FAHRENHEIT 9/11 FACTUALLY ACCURATE?

- Moore claims that President Bush arranged special flights to get the bin Laden family out of America. The truth is that former Terrorism Czar and Bush Administration critic Richard Clarke has stated that the decision was his and his alone, and the 9/11 Commission supports this claim.
 - Moore claims that the only reason the US invaded Afghanistan was to build a pipeline. As of this writing the pipeline still has not been built, and there are no plans for one.
- Space prevents us from listing more of the many gross lies, half-truths, and distortions in this film.

MICHAEL MOORE HATES THE MILITARY

In *Fahrenheit 9/11* Moore goes to great pains to paint himself as an ardent admirer of the men and women serving in the military, but the truth is remarkably different.

- Describing terrorists in Iraq: "The Iraqis who have risen up against the occupation are not 'insurgents' or 'terrorists' or 'The Enemy.' They are the REVOLUTION, the Minutemen, and their numbers will grow -- and they will win."
- Calling for the deaths of American soldiers: "I'm sorry, but the majority of Americans supported this war once it began and, sadly, that majority must now sacrifice their children until enough blood has been let that maybe -- just maybe -- God and the Iraqi people will forgive us in the end."

MICHAEL MOORE HATES BUSINESS

Do you own a small business? Do you work for one? You might be interested to hear what Moore thinks of your contribution to America. On small businesses in Flint, Michigan: "You know in my town the small businesses that everyone wanted to protect? They were the people that supported all the right-wing groups. They were the Republicans in the town, they were in the Kiwanas, the Chamber of Commerce - people that kept the town all white. The small hardware salesman, the small clothing store salespersons . . . F___ all these small businesses - f___ 'em all! Bring in the chains! The small businesspeople are the rednecks that run the town and suppress the people. F___ 'em all. That's how I feel."

DOES MICHAEL MOORE THINK YOU'RE STUPID?

Moore has two different messages. In America, he plays the role of "hero of the common man." When in other countries, however, he debases and insults the very common Americans that he claims to represent.

- To German fans Moore asked, "Should such an ignorant people [Americans] lead the world?"
- When a Japanese interviewer remarked that Moore did not appear to like America very much, his response was, "I like America to some extent."
- In England, regarding American intelligence: "They are possibly the dumbest people on the planet."
- Moore seemed relieved to not be around his fellow Americans while in Canada: "Just for my own mental health, I need to go and sit in a room with 600 Canadians and watch this movie with them."

Are these the opinions of a man who respects you enough to tell you the unvarnished truth, or is he manipulating you in order to make money?

MOORE MANIPULATES VICTIMS

Moore held a screening of *Bowling for Columbine* in Littleton and charged admission the families of the victims.

- Columbine victim mother Anne Hechter: "It's laughable that Moore attempts to portray himself as an anti-establishment liberal who is the voice of the common folk, when in fact he is no better than the greedy capitalists he shuns. Maybe now that he has made millions of dollars off the blood of our children he could toss a DVD or two our way to view."
- Mark Taylor, one of the victims that Moore took to K-Mart headquarters, on Moore: "I am completely against him. He screwed me over. I had no idea what Moore's agenda was. And he had an agenda. He had it all planned out, completely. I believe that every American has the right to have a gun. We should have the right to protect ourselves."
